

PREP RAZORS

With a full line of shave prep razors, Personna offers the flexibility to meet the needs of all users. And for protection against accidental injury, all Personna prep razors have easy to remove caps.

Personna DermaGard Safety Prep Razor – a heavy-weight **safety prep razor**, with combs to lift and separate hair. Personna's uniquely wrapped blade provides **additional protection** from nicks and cuts. If you have considered alternative methods for prepping because of concerns about nicks, cuts and potential infection, this product may offer the protection you require. It takes shave prepping to a new, higher level. . . Added Safety - because the blade never touches the skin!

Personna Premium Prep Razor – a heavy-weight prep razor with combs to lift and separate hair, manufactured with Personna's high-quality Comfort-Coated® stainless steel blades, providing smooth, clean shaves.

Standard Double Edge Prep Razor – contains a comb on both sides of the razor to lift and separate hair for effective removal. A great choice for the value driven buyer.
